1. Application to Invest

If you wish to invest in this product, you must complete and return this application form to us by email at investors@afcapital.co.nz or to our Auckland office (refer to the "contact us" page on our website for details).

You must also provide us with all information we need to comply with the Anti-Money Laundering and Countering Financing of Terrorism Act 2009. Without this information, your application will not be accepted. Please refer to our separate Customer Due Diligence Form for details on what is required.

We reserve the right to accept or reject your application for any reason whatsoever.

2. Wholesale Investors

This product is only offered to persons who are wholesale investors under the Financial Markets Conduct Act 2013 or equivalent overseas laws.

Please confirm below the basis on which you are applying to invest:

☐ I am a wholesale investor because I am investing a minimum of NZ$750,000

Where you choose this option, by signing the application form you also make the following acknowledgement: I confirm that I understand that:

[a] The usual legal rules that require information to be given to investors for offers of financial products do not apply if the amount invested upfront by me (plus any other investments I have already made in those financial products) is $750,000 or more; and

[b] I may not receive a complete and balanced set of information about this investment; and

[c] I have fewer legal protections for this investment; and

[d] This investment is not suitable for retail investors; and

[e] I have been advised to ask questions, read all documents carefully, and seek independent financial advice.

☐ I am another type of wholesale investor

Where you choose this option, you must provide a completed wholesale investor certificate or eligible investor certificate, both of which are available from us.

☐ I am an overseas investor that qualifies as a wholesale investor under local laws.

Where you choose this option, you certify to us that you are eligible to invest as a wholesale (or equivalent) investor under the laws of your jurisdiction without us needing to take any further action, and you agree to provide evidence of that eligibility on request. You indemnify every member of the Avanti Finance group for any loss arising from this certification being incorrect.
